# EFX<sup>®</sup> 221 ELLIPTICAL

Looking for fitness equipment that feels great, is reliable, lasts for years and keeps you engaged? The new Energy™ Series Ellipticals provide a fitness center quality workout in the convenience of your home. With technology adapted from our commercial-grade models, these ellipticals have design and convenience features that will help you reach your fitness goals faster and enjoy your workouts more.

WELCOME TO A PERSONALIZED FITNESS EXPERIENCE FOR YOUR HOME

ENERGY™ SERIES

# FFX<sup>®</sup> 221 ELLIPTICAL

## HIGHLIGHTS

### CrossRamp<sup>®</sup> Technology

Precor CrossRamp technology adjusts the shape of the elliptical path your feet travel so you can target specific muscles or all major lower body muscle groups.

### Proper Biomechanics and Variable Stride Geometry<sup>™</sup>

Our patented elliptical path perfectly mimics a natural running stride allowing exercisers to keep their heels down through all ranges of motion for a more comfortable, effective and ergonomically correct workout.

### Preset Workouts

10 preset workouts help you tailor your exercise to your fitness goals and stay challenged. Built-in Work Out Accelerators suggest ways to get more out of your workout.

### Lower Body Focus

Stationary handlebars focus your workout on the large muscles in your legs and glutes.

### Listen to Your Favorite Music

Plug your music device into the console and use the console's headphone jack and on-screen volume control. It's easier and more secure than resting your music player on the console.

### Heart Rate Monitoring

Maximize your workout results with touch sensor and wireless heart rate monitoring. Works with any Polar<sup>®</sup> compatible wireless heart rate transmitter (sold separately).
